Map Chartın Tooltip-ində Line Chart-ı Insert etmək

The screenshot displays the Tableau interface with the 'Edit Tooltip' dialog box open. The dialog box is titled 'Edit Tooltip' and contains the following fields:

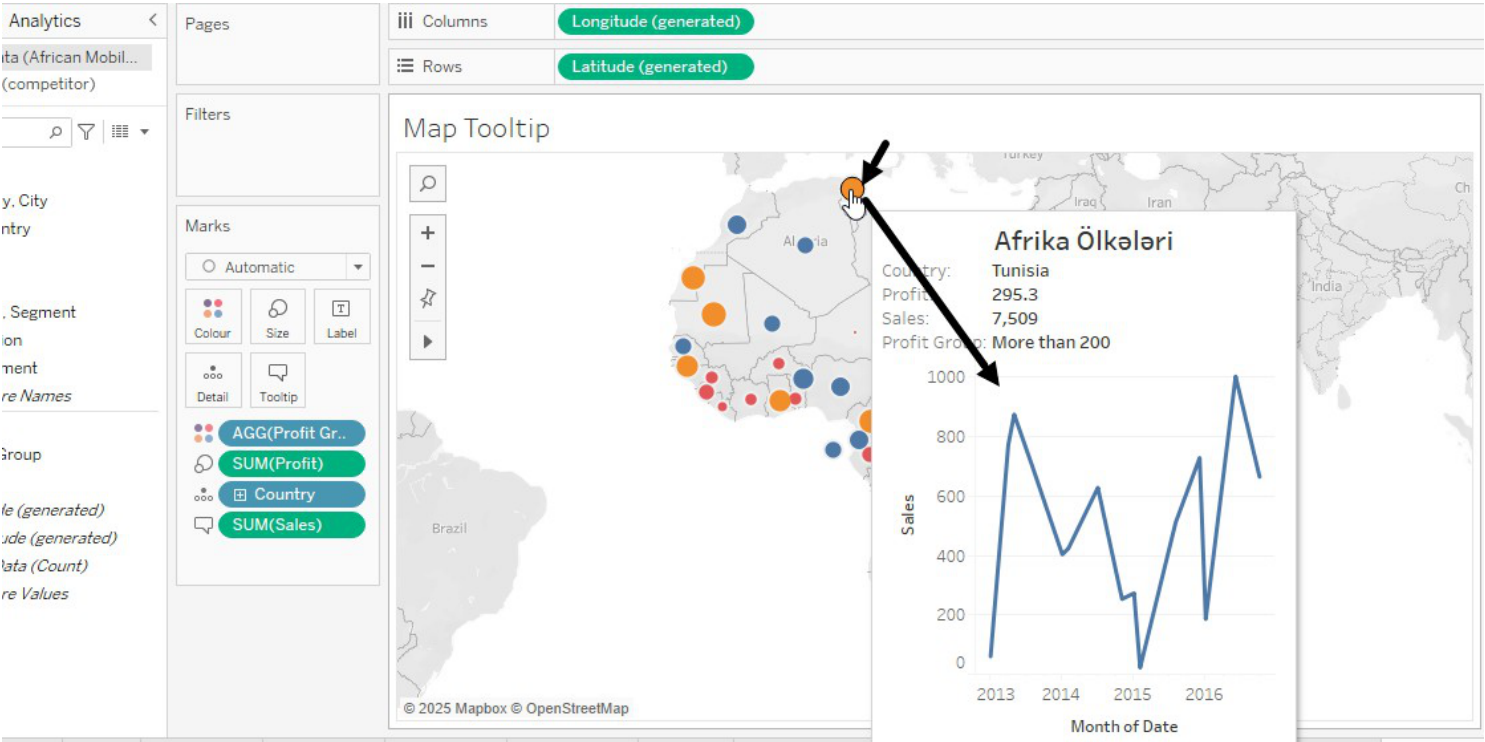

- Country: <Country>
- Profit: <SUM(Profit)>
- Sales: <SUM(Sales)>
- Profit Group: <AGG(Profit Group)>
- <Sheet name="Line Chart - Tooltip" maxwidth="300" maxheight="300">
- filter="<All Fields>"

Below these fields, there are three checkboxes:

- ☒ Show tooltips
- ☒ Include command buttons
- ☒ Allow selection by category

The 'Insert' menu is open, showing various chart types. The 'Line Chart - Tooltip' option is highlighted. The background shows a map of Africa with data points and a tooltip for Brazil.
