Dashboard - Action - Add Action - Go to Sheet

The screenshot shows the Tableau Public Desktop interface. The 'Actions' dialog box is open, displaying a list of actions. The 'Go to Sheet...' option is highlighted, and the 'Add Action' button is also highlighted. The background shows a dashboard with a pie chart titled 'Total Sales' and a bar chart titled 'Sales by Platform'.

Actions let you create interactive relationships between data, dashboard objects, other worksheets and the web.

- ☐ Single-select only

Click üçün İkon yaratmaq - Measures sahəsində Double click

The screenshot shows a data visualization tool interface. On the left, there is a 'Tables' pane with a search bar and a list of fields: Genre, Name, Platform, Publisher, Year, Measure Names, Calculation1, EU Sales, JP Sales, NA Sales, Other Sales, Rank, Total Sales, ConsoleGames.csv (Count), and Measure Values. The 'Marks' card is selected, and the 'Automatic' option is chosen. A black arrow points to the 'Apply (Ctrl+Enter)' button in the 'Marks' card. The main area displays a table with the title 'Click üçün İkon' and three rows, each with a 'Drop field here' placeholder.

Shape Chart - Shape - More Shapes - Edit Shape

The image shows a Tableau interface with a shape chart. The main view displays a chart with a single data point represented by a blue circle. The text "Click için ikon" is visible above the chart. The left sidebar shows the "Columns" shelf with "ConsoleGames" and the "Rows" shelf with "SUM(O)". The "Marks" card is set to "Shape". The "Shape" dropdown menu is open, showing a grid of various shapes. A black arrow points from the "Shape" dropdown to the "Edit Shape" dialog box. Another black arrow points from the "More Shapes..." link in the shape menu to the "Edit Shape" dialog box. The "Edit Shape" dialog box is open, showing the "Select Data Item:" field with a dropdown menu set to "Weather". The "Select Shape Palette:" field is also set to "Weather". The dialog box displays a grid of weather-related icons. A black arrow points from the "Select Shape Palette:" dropdown to the "Weather" palette. The dialog box includes buttons for "Assign Palette", "Reload Shapes", "Reset", "OK", "Cancel", and "Apply".

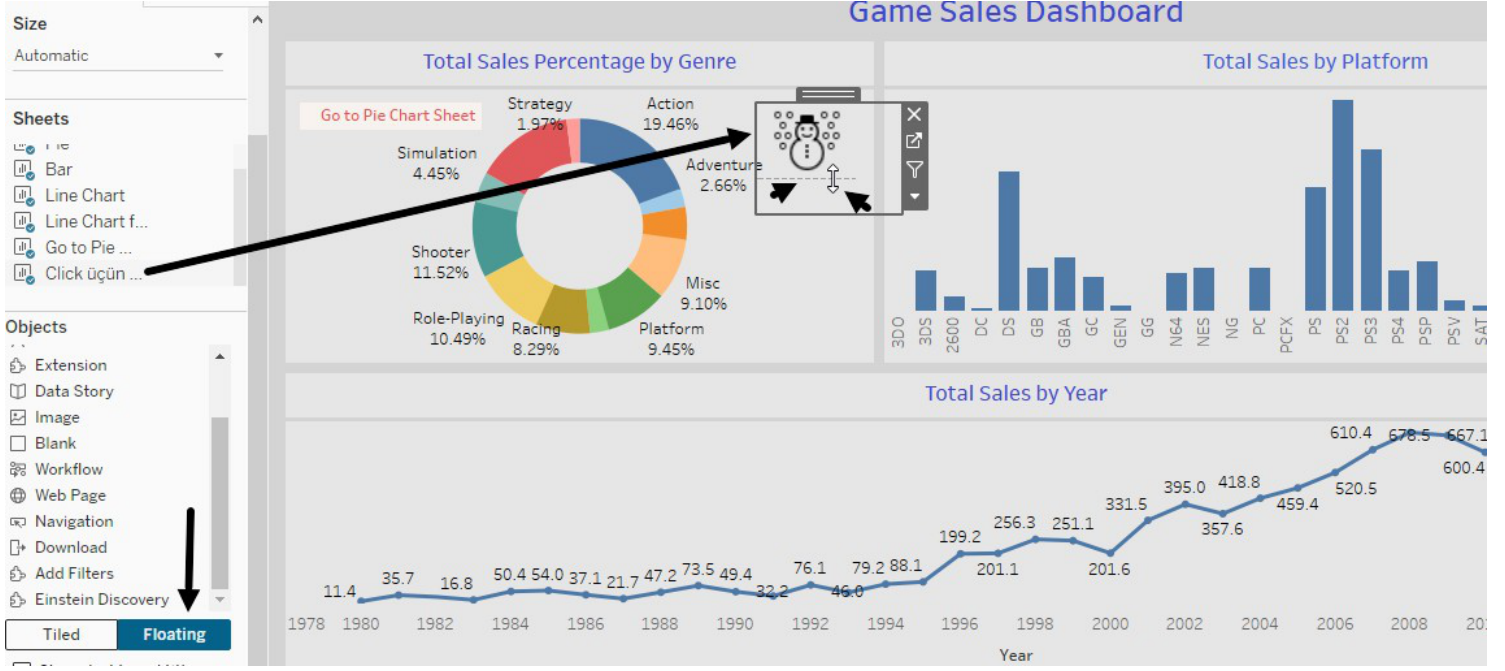

Size-ı artırmak

The screenshot shows the Tableau interface with the following components:

- Left Panel (Fields):** Contains a list of fields including Genre, Name, Platform, Publisher, Year, Measure Names, Calculation1, EU Sales, JP Sales, NA Sales, Other Sales, Rank, Total Sales, ConsoleGames.csv (Count), and Measure Values.
- Top Panel:** Includes tabs for Pages, Columns, and Rows.
- Marks Card:** Located in the center, it shows the 'Shape' dropdown menu. Below it, there are three buttons: 'Colour', 'Size', and 'Label'. The 'Size' button is highlighted with a black arrow pointing to it.
- Right Panel:** Contains a text box that says 'Click için İkon' (Click for icon) and a small icon of a person.
- Bottom Panel:** Shows a green pill labeled 'SUM(0)'.

Two black arrows are present: one pointing to the 'Size' button in the Marks card, and another pointing to the 'Click için İkon' text box in the right panel.

Dashboard - Action - Add Action - Go to URL

'Source Sheets' - Pie seçmək, 'URL' - Link yazırıq - Hansı Genre növünə getsin

The screenshot shows the 'Add URL Action' dialog box in a dashboard tool. The dialog is titled 'Add URL Action' and has a close button (X) in the top right corner. It contains the following sections:

- Name:** A text field with 'Hyperlink1' and an 'Insert' dropdown.
- Source Sheets:** A dropdown menu showing 'Dashboard 1'. Below it, a list of actions with checkboxes: 'Go to Pie Chart Sheet', 'Line Chart', 'Line Chart for Floating', and 'Pie' (which is checked).
- Run action on:** Radio buttons for 'Hover', 'Select', and 'Menu' (which is selected).
- URL Target:** Radio buttons for 'New Tab if no Web Page Object Exists' (selected) and 'New Browser Tab'.
- URL:** A text field containing 'https://play.google.com/store/search?q=<Genre><Genre>'. Below it, a search bar with a magnifying glass icon and a dropdown menu showing 'DOM(Total Sales)' and 'Genre' (which is selected).
- Data Values:** A section with a plus icon and a dropdown menu.
- Buttons:** 'Cancel' and 'OK' buttons at the bottom.

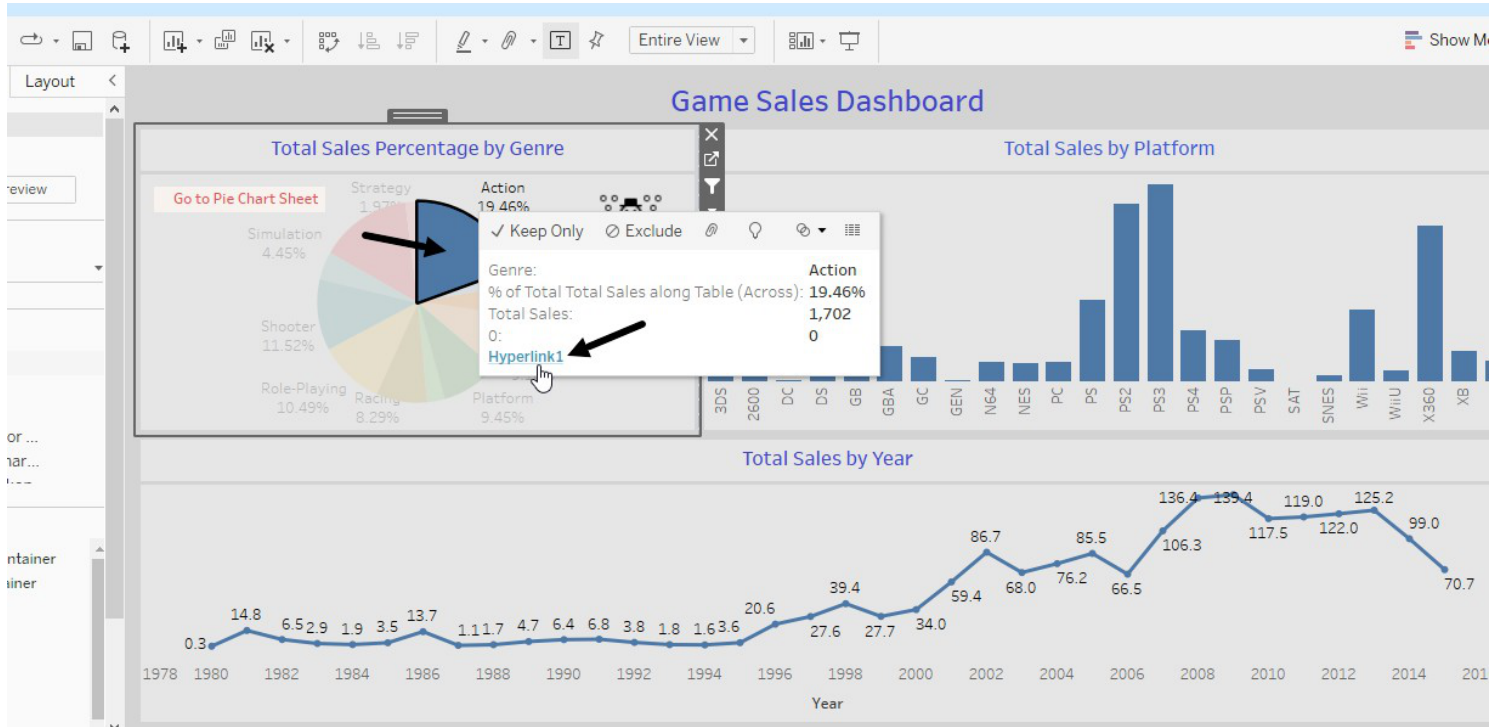

Arrows point to the 'Pie' checkbox, the 'Menu' radio button, the URL text field, the search bar, and the 'Genre' dropdown option.

In the background, a dashboard is visible with a bar chart titled 'Sales by Platform' and a line chart titled 'Total Sales'.
